

**Funding Working Group
Meeting #2
May 10, 2016**

- There is interest to: 1) increase the revenue size of Measure G which could then be shared across district and charter schools; and 2) engage with the community and other stakeholders.
- Enrollment data for district and charter schools will be reviewed to break down and present sources of funding on a per pupil basis. This information will be presented for public consumption.
- The Funding WG intends to engage with the following stakeholders (among others):
 - Board members
 - CCSA
 - GO
 - Political organizations
 - Measure G oversight committee
 - Affinity organizations
