

**Performance Working Group
Meeting #2 Summary
May 26, 2016**

Key Points of Discussion:

- New members of the committee were welcomed.
- The group discussed the importance of a common performance framework in delivering equitable outcomes to all Oakland families, providing the public with apples to apples comparisons across sectors, and identifying bright spots and targeted areas to support school improvement.
- The team also expressed a consensus that measuring academics and culture and climate is important, as well as measuring performance and growth.
- The group reviewed progress made since the first meeting:
 - Equity Pledge Meeting of the Whole 4/27
 - Charter school leader engagement 5/24
 - Community engagement 5/24
 - [Oakland Achieves](#) public education progress report release 5/26
 - OUSD community engagement on SPF reporting 5/25
- Initial reactions to the OUSD SPF framework were captured.
- The team will spend meeting #3 on 6/3 planning an initial charter engagement to elicit deeper engagement.
