

**Talent Working Group
Meeting # 1
April 20, 2016**

Key Points of Discussion:

- There is interest to develop the life cycle of teacher recruitment and retention, and to identify areas for development in this system
- A possible idea to address areas for development is to create a campaign to educate and empower Oakland residents to be advocates for teachers
- The Talent working group intends to engage with the following stakeholders (among others):
 - GO
 - Educate78
 - The Mayor's Office
