

**Funding Working Group  
Meeting # 4  
June 9, 2016**

**Key Points of Discussion:**

- Discussed the feedback received at the community forum and incorporated learnings into an action plan for equitably allocating funds for all public schools
- Reviewed a draft version of a deck to be presented to the board of education late June
- Identified the importance of reviewing the work of other districts that have effectively implemented pledge agreements
- Reviewed and proposed additional guiding questions for an ERS proposal focused on analyzing equity and efficiency in Oakland's portfolio school system
